

THE CLEVELAND INSTITUTE OF ART GENERAL PARKING POLICY

CIA parking lots are for the use of CIA students, employees, and guests holding valid parking hang tags. All vehicles within the CIA parking lots are subject to the CIA parking policy.

1. All students, faculty and staff must register with the Facilities Department to receive appropriate hang tag and ID access card.
2. All parking is by permit (hang tag) only.
3. Subject to availability, hang tags may be purchased in the Business Office from the Students Accounts Administrator for pickup in the Facilities Department. Application for, and receipt of a parking hang tag indicates acceptance of CIA's parking policy.
4. Permit holders must display a current hangtag from the rear view mirror so that it may be viewed from the front of the vehicle. If you park a car other than the one issued a hangtag, you **must** place your hang tag in the car you drive to CIA.
5. Purchase of a **parking hang tag** allows the holder access to the designated lot. *There is no guarantee that a parking space will be available.*
6. There shall be no overnight parking between 2:00 a.m. and 6:00 a.m.
7. CIA is not responsible for damage of vehicles due to parking lot control gates, theft, or physical damage while parked in CIA lots.
8. CIA reserves the right to deny or revoke a parking hang tag at any time.

Replacement of a hang tag or I.D. will be handled in the following manner:

1. A lost hang tag will be replaced at a **full year's parking fee charge.**
2. A lost or damaged I.D. (which is your gate card) will be replaced at a cost of \$25. **DO NOT PUNCH HOLES IN YOUR GATE CARD.**
2. An I.D. card is issued for the length of your enrollment. Gate access is activated as of the start of the fall semester, through completion of the spring semester, if enrolled for a full academic year. There is no gate access during summer months.

University Circle Police Department provides motorist assistance as a courtesy to all valid CIA permit holders. For assistance, call (216) 791-1234. Violations of CIA policies are subject to ticketing and/or tow. Payment of fines is the responsibility of the vehicle owner.
